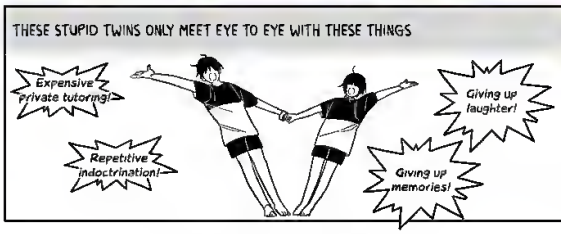
How can you be first in the national exams? I study the material in school and the recommended text books
An interview with a student that aced national exams
If you all eat regularly 3 meals a day, sleep 7 hours a day, a healthy hobby, and having the freedom to look up at the sky you can do it too!

What the hell is he talking about
Ignore the public education system
And pour all of your parents money into a private education system and you can do it too



THESE STUPID TWINS ONLY MEET EYE TO EYE WITH THESE THINGS
Expensive private tutoring!
Repetitive indoctrination!
Giving up laughter!
Giving up memories!
